Lecturer: Prof. Masaaki Miyazawa
Kinki University, School of Medicine
Department of Immunology

Title: Evolution of Genetically Determined Resistance Mechanisms to Retroviral Infections: Are we winners?

Date: Oct. 30 (Fri), 2015. 17:00～18:30
Place: Medical Gakkeito Building 4F, Room 483

Prof. Miyazawa is a leading scientist in the field of genetical and immunological analysis of the resistance against retroviral infections. In this lecture, he will talk about the resistance mechanisms to HIV in human and Friend murine leukemia virus in mice.
