## Abstract :

The index of QS World University Rankings reveals in a report published on Thursday, June 8, 2017, that Cairo University globally occupies the rank 482. It is among the best 500 universities at world level according to 2017 rankings. Cairo University advances with 70 places higher than last year. It is the only Egyptian university ranked among the best 500 universities around the world. Quacquarelli Symonds (QS) World University Rankings is an English institution concerned with education. It publishes this annual report of the best 800 universities around the world. QS index is one of the most prominent global rankings besides the well-known Shanghai Ranking.
